

# Updating the plan

You can update a hauora wellness plan at any time. This could be when you recall the patient for their annual review, or when you see them in a consultation.

Click on the 'Hauora Plan' icon from your PMS. This will open the previous Hauora plan and allow you to update or edit

- Go to the Results tab to review the summary of the current plan
- Then update the areas of the Hauora plan that are relevant.

Click 'Save' in the Results tab to save the updated Hauora Plan
